Our Purpose

- Equip future leaders with the skills, knowledge, and ethical framework necessary to tackle complex global issues
- Learn from the best, become an expert, build your global network and advance your career.

“Back then [in 1943, when SAIS was founded], the world was reeling from the Second World War. The old order was in ruins, and Nitze and Herter believed that this institution should play an integral role in building a new order. **SAIS graduates have been fulfilling that promise** ever since.”

—Former U.S. Secretary of State Antony Blinken, former Johns Hopkins SAIS Herter/Nitze Distinguished Scholar
